# The Zachary Steven Mistovich Memorial Fund

Dedicated to ongoing ministry that is inspired by Zach's life, the memorial fund supports men who are previously incarcerated or struggling with substance abuse.

Zach was a loving young man who found himself in a situation that ultimately brought about his incarceration.

While in prison, Zach began a relationship with Jesus Christ through the ministry of Grace Fellowship Church. As a result of this relationship, Zach became a "new man" in Christ. Zach loved people. He helped countless young men find new life and purpose, through study of the Bible, weightlifting, and by simply loving and valuing people.

Zach received a greatly reduced sentence and was one of the first State's prisoners to receive work release.
